Christ Family Conversations

The words in this book are written to help remind us that God is Love and we all have a choice. I've made mistakes throughout my life, but I'm always striving to improve. I encourage you to call out to Jesus, if you haven't already, so you can be saved by His grace and have assurance that you will be rejoicing in Heaven when you pass from this life. These are the experiences of my life's journey and being born again in Christ. I pray this book helps lead people to seek salvation through Jesus and is a blessing to you all.

Now, I invite you on an adventure, through the depths of your mind's movie screen, to the rainbow's end and beginning, along a golden road of eternity. The time is now to come together, all the people of every nation, across this universe of a life without boundaries. I got an early morning wake-up call from God about our lives that have true meaning, for which you're permanently awake and you never stop dreaming. There are limitless possibilities through a symphony message of hope and rhythmic positivity.

Let's take a voyage in this supernatural world, beyond the realm of a comfortable existence of routine. We're living in the now, of a life less ordinary, on an angelic adventure of faith in God's amazing story. Winning a galactic battle of good and evil, His light shines down upon us, forever in His glory. We see a reflection into a world of peace, through the eyes of our hearts. Unity is the message, for which we all can begin to start. Through the lyrics of our life's dream, I welcome you to my heart and soul. Let's begin and I'll show you what I mean.

Grace and peace to you from God Our Father And The Lord Jesus Christ.

Greetings! Hey How Ya Doin'! Shalom!

I pray you are well. Holy Spirit has now guided me to reach out to you. Please see and hear the message that God has put on my heart. An inspirational motivational international speech from the Word coach cheer leaders singing Great Gospel News!!!

To ALL it does concern in this spiritual battle. Everyone seeing and hearing the Turn signal. While on this amazing journey with the Lord He has now led me to reach out to you. Let me start by saying Thank You for everything you do to change the world; Living In Christ leading others to know the Truth. It's truly amazing to see ALL that Holy Spirit is doing in so many of us. I pray your Blessed and Beautiful Ministry in Christ continues to grow and reach others. For anyone lost and searching for truth and answers while struggling trying to find yourself, I ask that you call to our Lord and Savior Jesus Christ. I guarantee you find yourself in Him.

There are many layers within these writings. As we continue you will begin to see and hear within those layers as the Lord will reveal. Those layers are also around us in this life.

Holy Bible Ecclesiastes 3

Just a friendly reminder, lean not on our own understanding. Ask the Lord for guidance in ALL things. Another friendly reminder, it is very important that we are ALL in God's Word Every Day. Rejoice always, pray continually, give thanks in all circumstances!

Love is calling, Do You Hear The People Sing? [YouTube: Les Misérables | (Universal Pictures)]

Do You Hear the People Sing? Now Do Not Be Afraid, be under His wing!

There ain't no hitting snooze, we gotta share The Gospel News! Let's see and hear, those New You celebrations! Holy Spirit fire alarm ringing Light shine on in every nation! Rise and Shine! Put Your Candles In The Windows! Let your Light shine! Let them know The Way! Until Everyone Knows The Way! Hearts of multitudes in tune with the Drum. Hey You in the wilderness hear the voice of One! In our joyful testimony, the music is heard! Loving God and one another, as we stand upon His Word!

I pray Father God will continue to build and strengthen ALL His children as Christ's Heavenly fire flows. I ask that you share the message as Holy Spirit guides you. If you have any questions, please see Holy Bible for reference. And of course, if lost, ask a friendly neighborhood Born Again Believer to help show you The Way.
God Bless you and your family. I pray these writings will lead people to seek salvation through Jesus and are a Blessing to you ALL.

Please Share The Love! Thank You!

Mercy, Peace And Love Be Yours In Abundance! ❤️

Armor of God

Put on the armor of God, be protected by the belt of truth
God's righteousness is for us all, no need to change in a phone booth
Helmet of salvation, gives us confidence to go forward
If lost in a sea of despair, His love will lead you shoreward

While sailing the universal waters, keep God as your rudder
May your heart flow from life's wellspring, with the words you utter
God's servants of New Jerusalem, in the square gathered 'round
Ripple in the wind, hear the voice of a unified sound

Shoes of peace cover our feet, and help to share the Good News
Standing up to any challenge, with Him we'll never lose
With the beat drummin' in my soul, my heart's an open book
Your questions can be answered, give the Bible a look

While sailing the universal waters, keep God as your rudder
May your heart flow from life's wellspring, with the words you utter
God's servants of New Jerusalem, in the square gathered 'round
Ripple in the wind, hear the voice of a unified sound

A shield of faith stops the arrows, that come from every angle
God's Word is our sword, to stand against Satan's lies entangled
Truth and wisdom of our home, God has been revealing
Reigning His Word through the masses, from this leaking ceiling

While sailing the universal waters, keep God as your rudder
May your heart flow from life's wellspring, with the words you utter
God's servants of New Jerusalem, in the square gathered 'round
Ripple in the wind, hear the voice of a unified sound

Ephesians 6:11 (ESV)

"Put on the whole armor of God, that you may be able to stand against the schemes of the devil."

Floydian Ship

Hi guys, wait 'til ya see
Something special, for you, from me
A song for all, the Pink Floyd family
Not able to ease, my mind of fears
Your sounds in my ears, helped stop the tears
Didn't realize my current self, had already died
Couldn't do it on my own, although I had tried
Playing medicine for the soul, that's what I do
Enjoy nature's beauty, and listen to you

Polly writing with David, pick up this Heaven's brochure
Let's all come together, for this Pink Floyd grand tour
England's Amazing David Gilmour Best Ever
Mnemonic for guitar strings, thought it kinda clever
Listening to the songs of David, calms the mind
A prescription from Dr. Floyd, there's no better kind
They're not FDA approved, but man can they groove
Take as needed, your heart light will improve

A smile that's Rich with light
Sometimes it just feels Wright
Volume's pumping, we're feeling overjoyed
On a journey of hope, while listening to some Floyd
Shining bright beyond the end
That verse is for you my friend

Finally stopped, I had been runnin' away
Stood against evil, now I've got somethin' to say
After many years, been baptized by God's water gun
Now awake and on the go, life's for livin' and for fun
Gonna shine among them, crazy diamonds in the sky
No more fear and anxiety, not afraid to die

This shining soul's no longer lost, down the rabbit hole
We're taking it back now, that fiddle the devil stole
Coming back to life, hear cries of freedom from our horns
Clearing our heart's field, full of barbed wire thorns
Roger gets us through, when those waters are rough
Fight the good fight, no matter how tough
World leaders unite, and bring us all together
Spread our wings of peace, as love's primary feather

Pink has said it for years
Please open up your ears
In this wind of change, we've found our rhyme
Awakened today, just in the Nick of time
Thank You Syd for sharing your dreams
Maybe that's what his name means
Geldof, Parker and crew, showed us an amazing wall
Had an arctic heart, until I got the call

Take a golden leap of faith, and rise above all
Made it past the Atari game, of life's many pitfalls
It's a miracle this life, and we ain't seen nothin' yet
It all makes perfect sense, soon we'll see it in the gazette
The time has come, to play our worldwide anthem
Dawning of a new day, who could have ever fathomed
This dream is now an orchestra, playing a symphony of love
We've heard the tolling of the bell, thank you to the Lord above

Finally stopped, I had been runnin' away
Stood against evil, now I've got somethin' to say
After many years, been baptized by God's water gun
Now awake and on the go, life's for livin' and for fun
Gonna shine among them, crazy diamonds in the sky
No more fear and anxiety, not afraid to die

3am Songbook

With high hopes, in time the truth we'll unveil
The soldier made it back, to narrate a happy tale
We've battled many demons, finally figured it out
Sharing the Good News, we'll stand up and shout
Their sounds resonate, to take you higher
Ignites the spark, in your soul's amplifier
Does anybody know, which one is Pink
Peer into the mirror, least that's what I think

Echoes of time, at the great gig in the sky
Our spirit's unbroken, we can all learn to fly
Storm of art, on every album cover
Just my little song, for any Pink Floyd lover
Every person plays a part, take any one away
It wouldn't be Pink Floyd, the way we know them today
Thank you for the music, helps keep a balance on this trip
Set your heart's compass to onward, aboard your Floydian ship

Psalm 100:1-2 (ESV)

"Make a joyful noise unto the Lord, all the earth! Serve the Lord with gladness! Come into his presence with singing!"

A New Old Psalm

Look up, take courage, get your heart in sync
God's angels are nearer, than you might think
After all these years, they're all together
Helping rid us of fears, you may hear their feathers
Pay attention world, for this is God's plan
He loves us all; every child, woman, and man

Sands of time were running low, but now we're able
To spin the hourglass, that was stuck to the table
We're The Chosen generation, that's being shown how
No need to fear, we're in God's hands now
Like my twisted sister said, we're not gonna take it
We'll take our stand, together we'll make it

No matter how stormy the weathers
God will cover you with His feathers
Under His wings you will find refuge
Like Noah had during the deluge
His faithfulness will be, your shield and rampart
For God's love, will transform your heart

Signal's been sent, will you answer the call
No more SOS in distress, now peace and love for all
He will protect us, for we acknowledge His name
Rise and revolution, we're changing the game
Eyes of the Lord, over the righteous and lost
He already paid the price, for us there is no cost

His ears are open, unto our prayers
Look for that ladder, climb those golden stairs
As the horn sounds, Michael stands up
Now is the time, to fill your cup
You just need to ask, He'll overflow His
Trust in your gut, while taking life's quiz

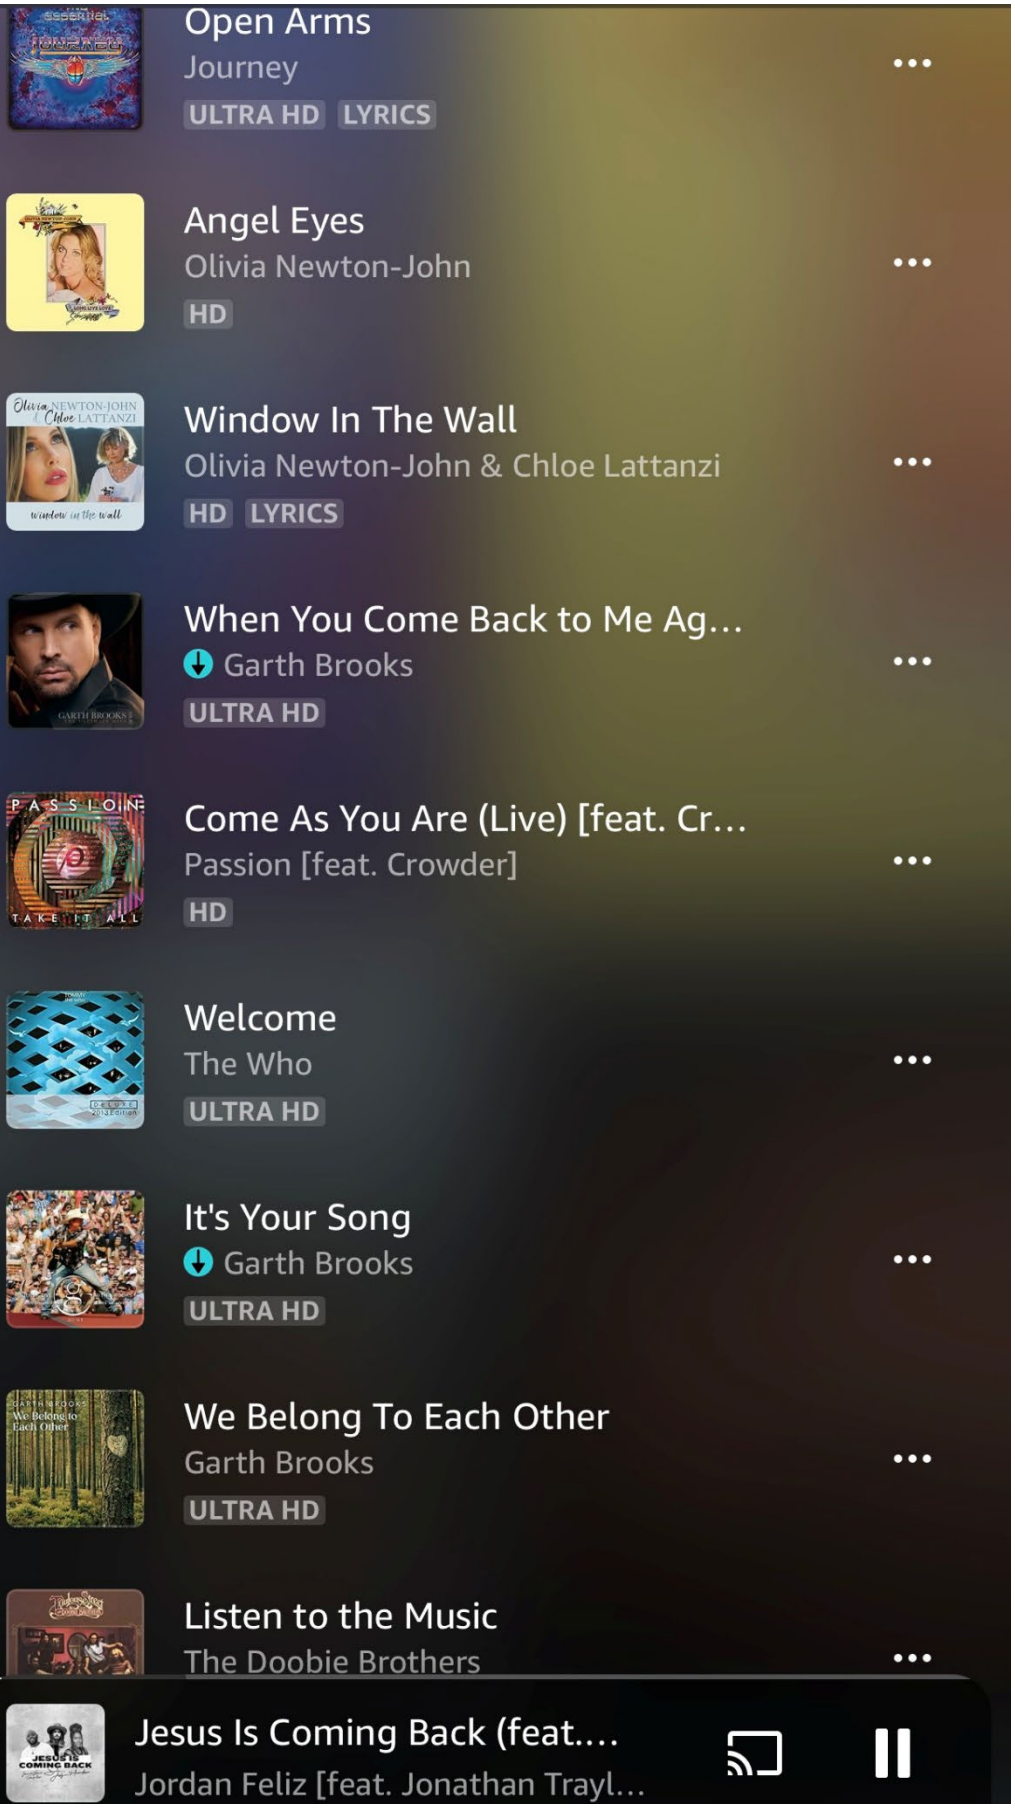

No matter how stormy the weathers
God will cover you with His feathers
Under His wings you will find refuge
Like Noah had during the deluge
His faithfulness will be, your shield and rampart
For God's love, will transform your heart

He has given His angels charge
The wicked can't survive, in a love so large
Arrows now seem dull, with no sharpener available
There's no mountain task, that is not scalable
Ten thousand may fall around me, there no evil shall befall thee
Just a new old Psalm, that was written for you and me
God's angels have been uniting, breaking the chains
Steering stars a new direction, with Christ at the reigns

Psalm 91:2,4 (KJV)

"I will say of the Lord, He is my refuge and my fortress: my God; in him will I trust. He shall cover thee with his feathers, and under his wings shalt thou trust: his truth shall be thy shield..."

Lighthouse of Hope

A backyard battlefield, marching onward are the knights
Touching a sky of green fields, those New Jersey northern lights
Swirling pillar of fire, in an underwater house of screen
Sonburn on my face, has brought me to my knees
An Enoch at the door, on a journey with John
Jesus' sequel is the prequel, many visions are drawn
Life is a symphony, a page in God's hymns
With Christ in our heart, let's rejoice and honor Him

That was the night, I picked up His shield
A faith so strong, that will never yield
Fine linen field of snow, getting ready to go
A comforting breeze of breath, into us it blows
Come Alive dry bones, He makes a stick of one
His tabernacle is with us, the battle's always been won

Haunted house cleaning, my mind was being torn apart
Sometimes you have to lose your mind, to find your heart
A glimpse of eternity, from the angel of the Lord
Changed my life forever, now and ever more
A lighthouse of hope, that is burning so brightly
The only ghost within me now, is One that is Holy

In the sixteenth Act they prayed, and sang praises unto God
The prisoners did hear them, His freedom gave the nod
A nineteenth Revelation, the multitudes are saying
Thundering Hallelujah, the Lord God is reigning
24 and 4 fell down, and worshipped God on the throne
Tuned to the key of David, Sonflower seeds are being sown

Jesus the Master key, for all universal locks of art
Doors opening and closing, valves of your own true heart
We may not comprehend, but yes God knows
He's the treasure we seek, the bridge of all rainbows
Always Faithful and True, to me and to you
Beautiful artist's renderings, of the picture that He drew

Haunted house cleaning, my mind was being torn apart
Sometimes you have to lose your mind, to find your heart
A glimpse of eternity, from the angel of the Lord
Changed my life forever, now and ever more
A lighthouse of hope, that is burning so brightly
The only ghost within me now, is One that is Holy

Blessed are they that are invited, to the wedding I do
Supper of the Lamb, God's Word is True
Take a righteous turn with Jesus, His road will lead you higher
The beast and the deceiver, thrown into the lake of fire
His angel threw the dragon, the ancient serpent, into the abyss
Locked and sealed away the devil, that deception won't be missed
The saints are marching, God's will be done
A thousand-year reign, God Bless Everyone

Acts 16:30-31 (ESV)

"...'Sirs, what must I do to be saved?' And they said, 'Believe in the Lord Jesus, and you will be saved, you and your household.'"

God's Social Media

Not sure why, this way I feel
Things sometimes, no longer seem real
Evil has made, this world seem absurd
Feel comfort every day, as I read God's Word
The Bible just makes, more sense to me
Than all this confusion, shown on TV
Get the Bible app, His Word is in your hand
Pick the language, that you understand

When Jesus calls or sends a friend request, will you accept
Will you share His peace, or hit decline and reject
Retweet God's love, it's time to subscribe
You'll receive joy, that's hard to describe

I've been trying my best
My whole life seems a test
Only during the times that I kneel
Can I stand against the evil that's real
No longer filled, with overwhelming anxiety
Proverbs messages of instruction, for all of society
Don't mind the labels, like crazy or nut
'Cause I know God's with me, feel it in my gut
Things can get rough, don't worry they'll improve
I pay more attention, no longer missing my next move

When Jesus calls or sends a friend request, will you accept
Will you share His peace, or hit decline and reject
Retweet God's love, it's time to subscribe
You'll receive joy, that's hard to describe

My path is prewritten, all part of God's plan
He's been with me, since before my life began
When looking for answers, as are most
Use hashtag Holy Bible, within your post

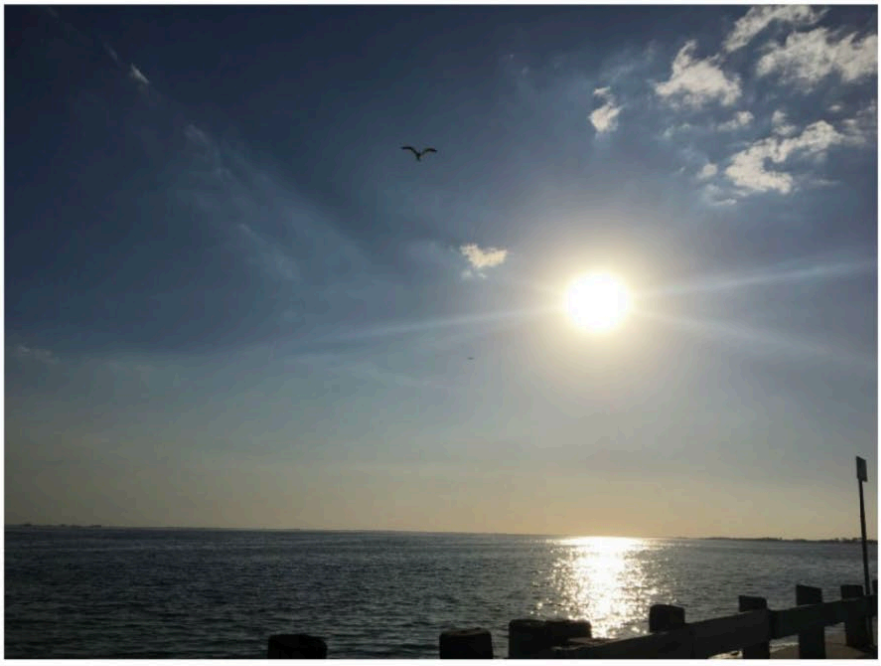

Been through a lot, stayed strong to survive
Flew out that cuckoo's nest, happy to be alive
Thank you for my life savings account
For God's love is an eternal amount

When Jesus calls or sends a friend request, will you accept
Will you share His peace, or hit decline and reject
Retweet God's love, it's time to subscribe
You'll receive joy, that's hard to describe

I'll fight the good fight, morning, noon and night
No longer trapped in the darkness, I'm reaching out for Your light
Peaceful feeling to know, everything is alright
My heart fills with joy
God's love He'll deploy
One more thing, I no longer keep cryin'
Thank You Lord, love your friend forever, Brian

Brotherly Love

My man Pierre
You know he's on the air
WMMR's the station
Rockin' all across the nation
Award winning crew, Preston and Steve show
Your love's Philabudance, you help so many we know

Everything that rocks, you know Philly's got soul
Eagles 2018, dramatic fourth down and goal
Training, skill, and prayer, led them to the victory
Philly Special forever, changed the city's history
By the wings of the Eagles, swept up the champion's bowl
Teamwork and dedication, accomplished that goal

His love is always shining
In our playbook of silver linings
Harry Kalas makes the call
He's got high hopes for us all
While tailgating in this life, there's no mistake on God's grill
City of brotherly love, let's keep spreading good will

Bradley Cooper and Lady Gaga, a star is born
Will Smith and the Roots, sounding the horn
Boyz II Men and Bon Jovi, keepin' the motownphilly faith
Sight and Sound Theater, walk with Jesus on His stage
God's light from above, shines down so bright
It's always sunny in Philadelphia, day or M. Night

His love is always shining
In our playbook of silver linings
Harry Kalas makes the call
He's got high hopes for us all
While tailgating in this life, there's no mistake on God's grill
City of brotherly love, let's keep spreading good will

Rocky Balboa, battling in the ring
God's love it will, take away the sting
Fighting those demons, with fireproof boxing gloves
Bandstand dancing to the music, that everyone loves
Put on your old Victrola
We love that rockin' rolla

A wild heart of Pink, we've joined the rally cry
Fighting for the truth, a soulful freedom butterfly
Practicing banjo strummer, all throughout the summer
For the winter's Broad Street strut of the Mummers
With that Wawa sound, their lights are always on
Some things of Phileo Adelphos, representing in this jawn

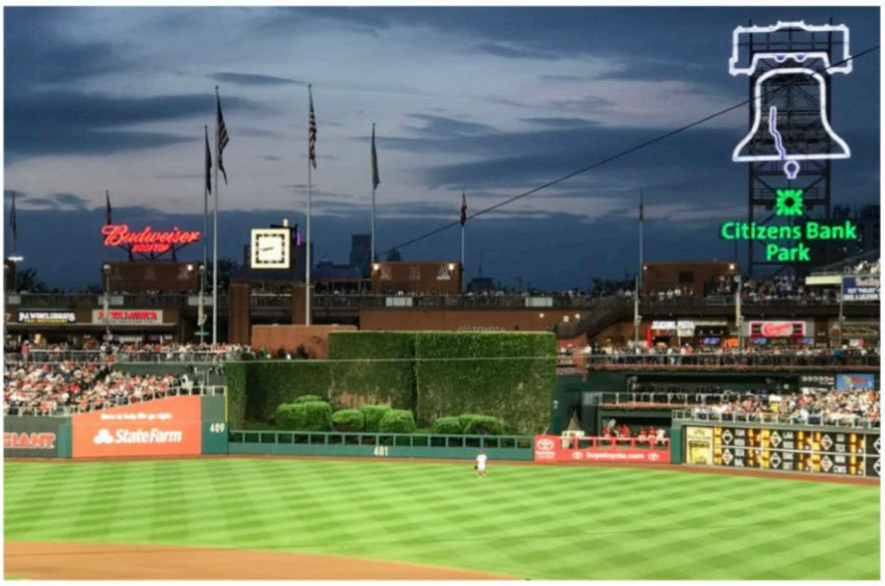

His love is always shining
In our playbook of silver linings
Harry Kalas makes the call
He's got high hopes for us all
While tailgating in this life, there's no mistake on God's grill
City of brotherly love, let's keep spreading good will

3am Songbook

Here's a little ditty 'bout the crew in this city
From Franklin the Dog, to Soul Man and Gritty
We're all Philly Phanatics, stronger as one team
We got Phang in the Union, it's not a pipe dream
Faithful Philadelphia, Wingston spread your Wings
A Goldberg's episode, about messages Moses brings

No matter your team, Swoop in and have fun
We're all different mascots, that come together as one
Spread that love, raise the city high above
Just my way to show Philly, some brotherly love
You can hear LaBelle a ringing, at Independence Hall
Let's get back to unity, with liberty and justice for all

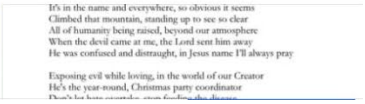

His love is always shining
In our playbook of silver linings
Harry Kalas makes the call
He's got high hopes for us all
While tailgating in this life, there's no mistake on God's grill
City of brotherly love, let's keep spreading good will

Very Day Christmas Wake Up Sleeper Jesus

It's in the name and everywhere, so obvious it seems
Climbed that mountain, standing up to see so clear
All of humanity being raised, beyond our atmosphere

He was confused and distraught, in Jesus name I'll always pray

Exposing evil while loving, in the world of our Creator

Our Gift

Does anyone remember, what Christmas really means
It's in the name and everywhere, so obvious it seems
Climbed that mountain, standing up to see so clear
All of humanity being raised, beyond our atmosphere
When the devil came at me, the Lord sent him away
He was confused and distraught, in Jesus name I'll always pray

Exposing evil while loving, in the world of our Creator
He's the year-round, Christmas party coordinator
Don't let hate overtake, stop feeding the disease
You'll just end up covering, a black eye with frozen peas
If traveling a dark and stormy road, that is hell bent
Turn on your brights, go off-road and repent
Don't let the devil, be your director, editor or illustrator
For the living Word that God has written, is forever greater

Power of prayer will open doors, to that house up on a hill
He's got the key for your new home, this is not a drill
Hearts becoming peaceful, His amazing grace is our gift
Let go of hate and anger, your soul the Lord will lift
Heaven's windows are open, you can hear those angels singing
On a sled of freedom, peace and love we are bringing

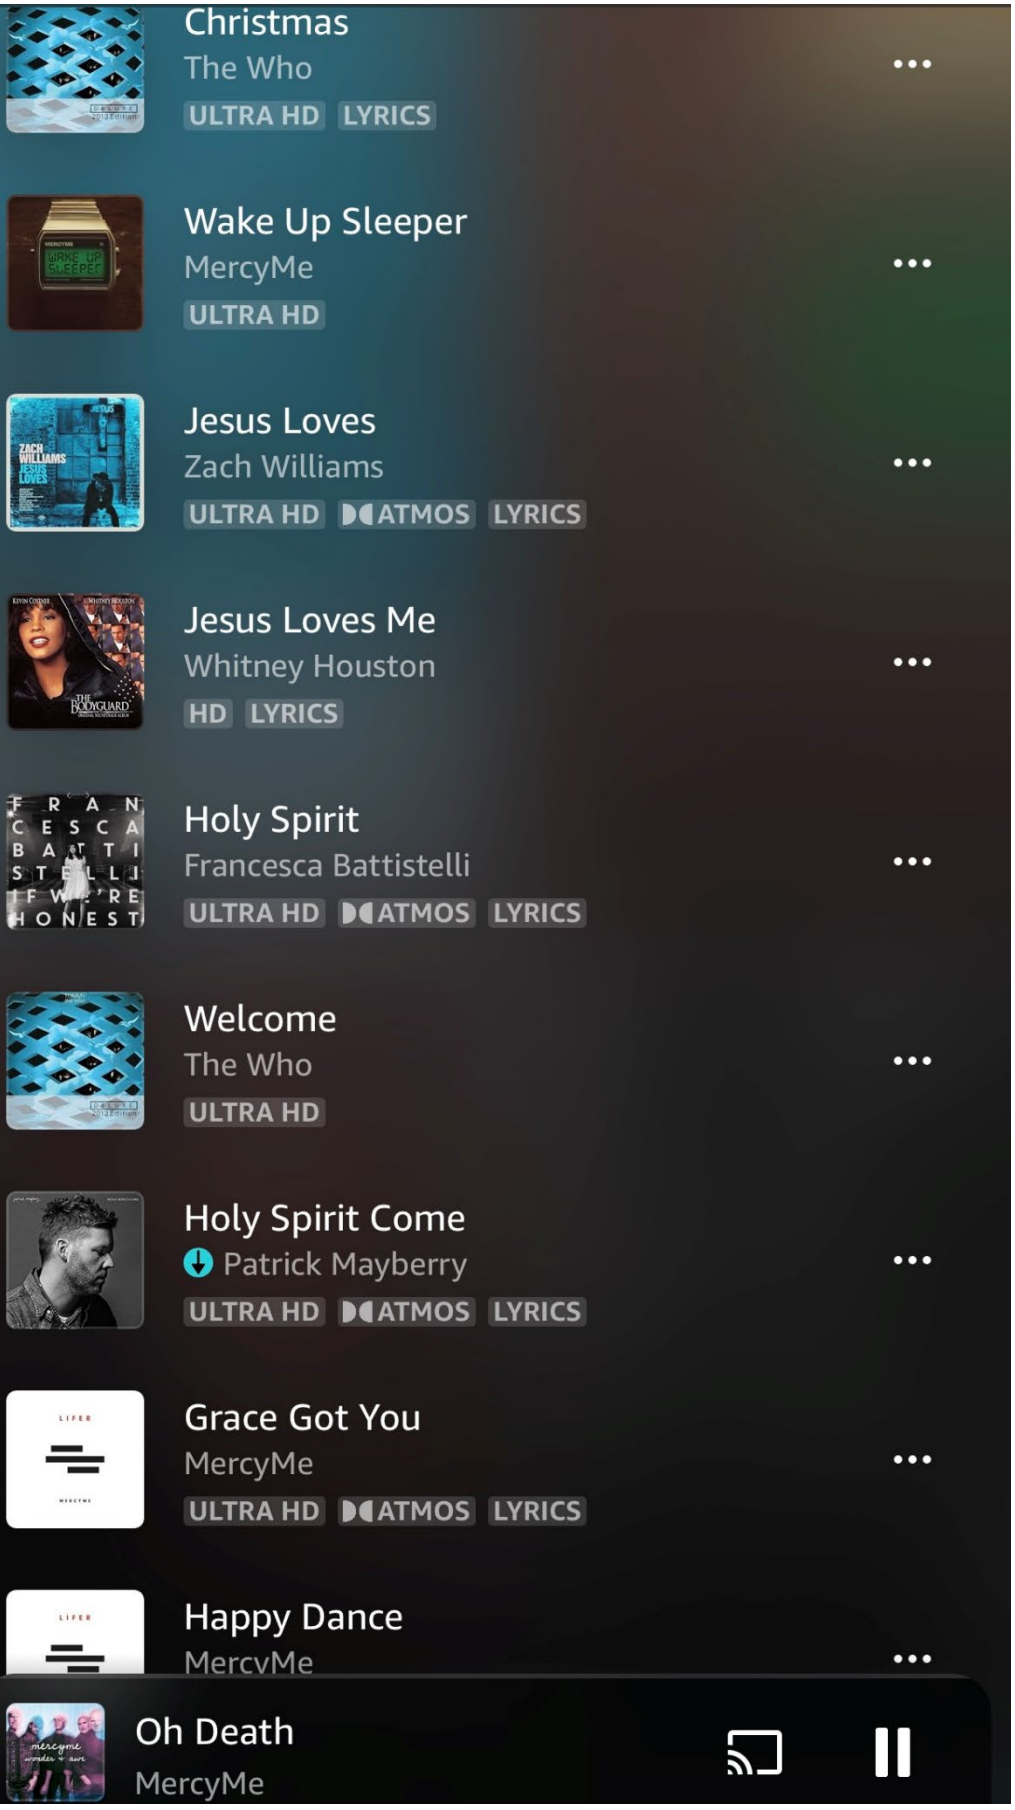

Shout out to everyone, be a Jesus mouthpiece
Old and New Testament letters, of which to build our masterpiece
Some things can be tough, but God gives us strength
Tune into His Christmas carols, feel your heart's wavelength

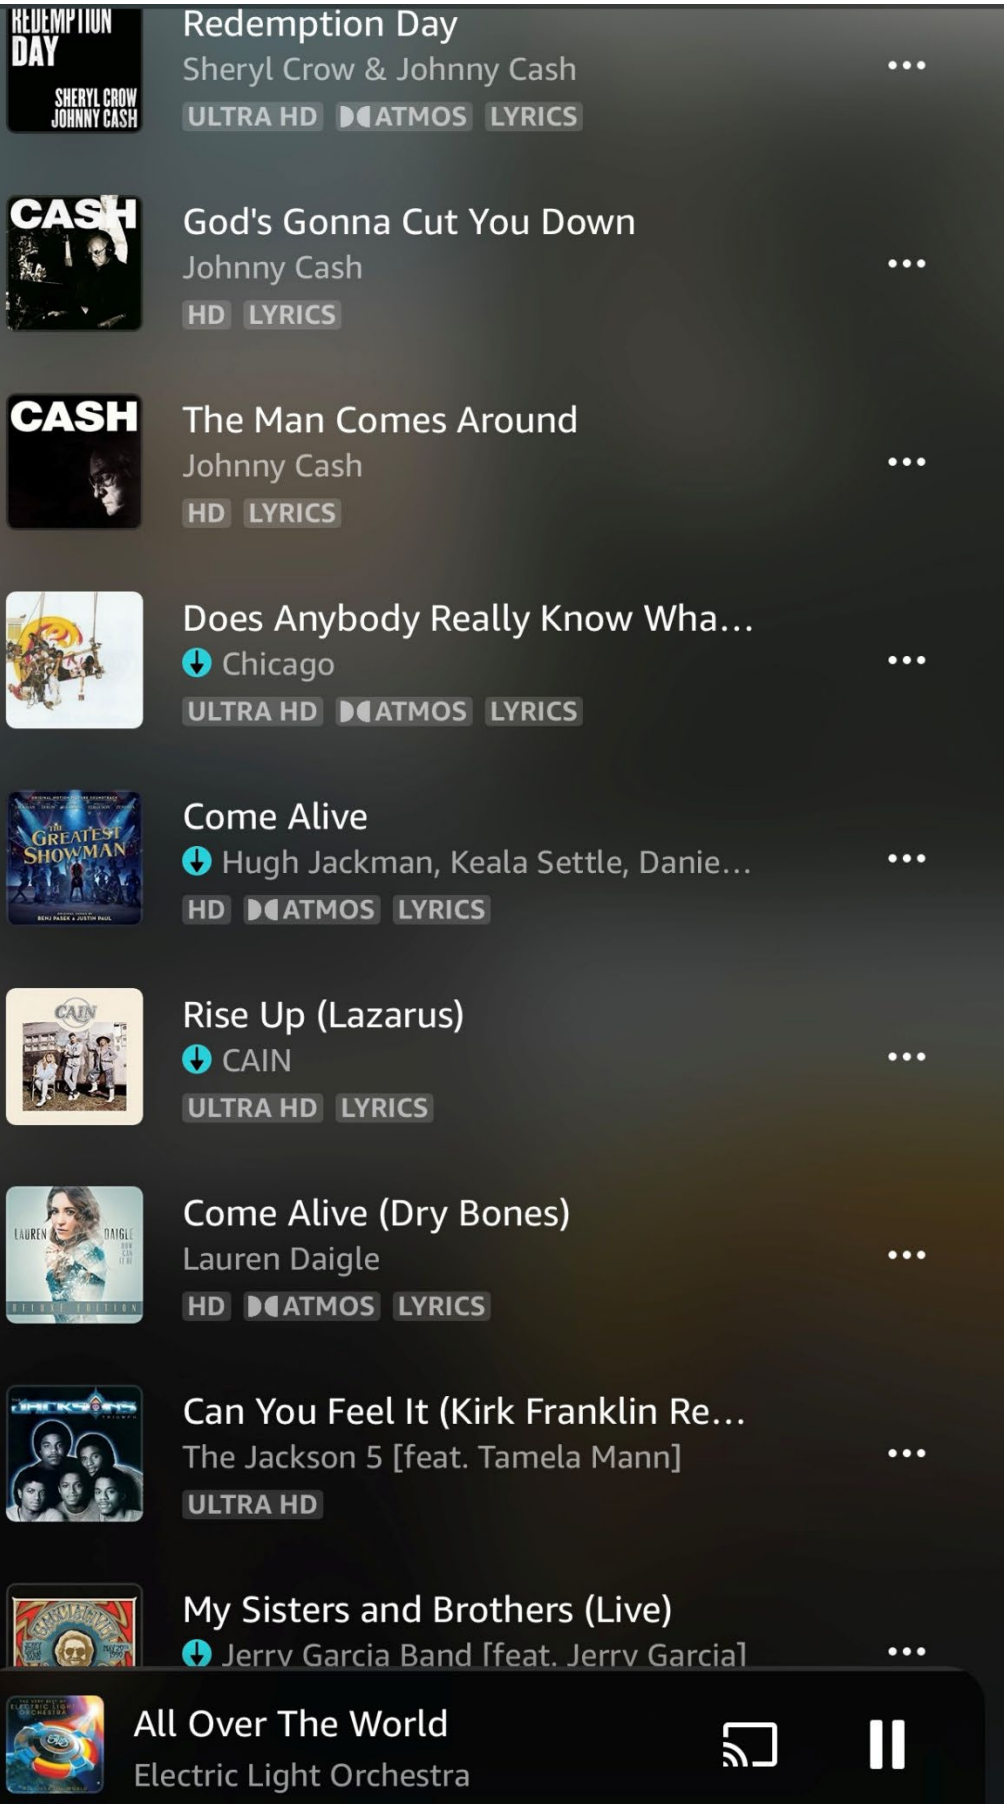

Hear the joyful singing, bringing unity throughout
He's the reason for the season, for me there is no doubt
In this life you follow, His entire Word that's true
Not just choosing certain parts, you think will work for you
Receive the Holy Spirit, just invite Him inside
He's the one taking you, on this wondrous ride

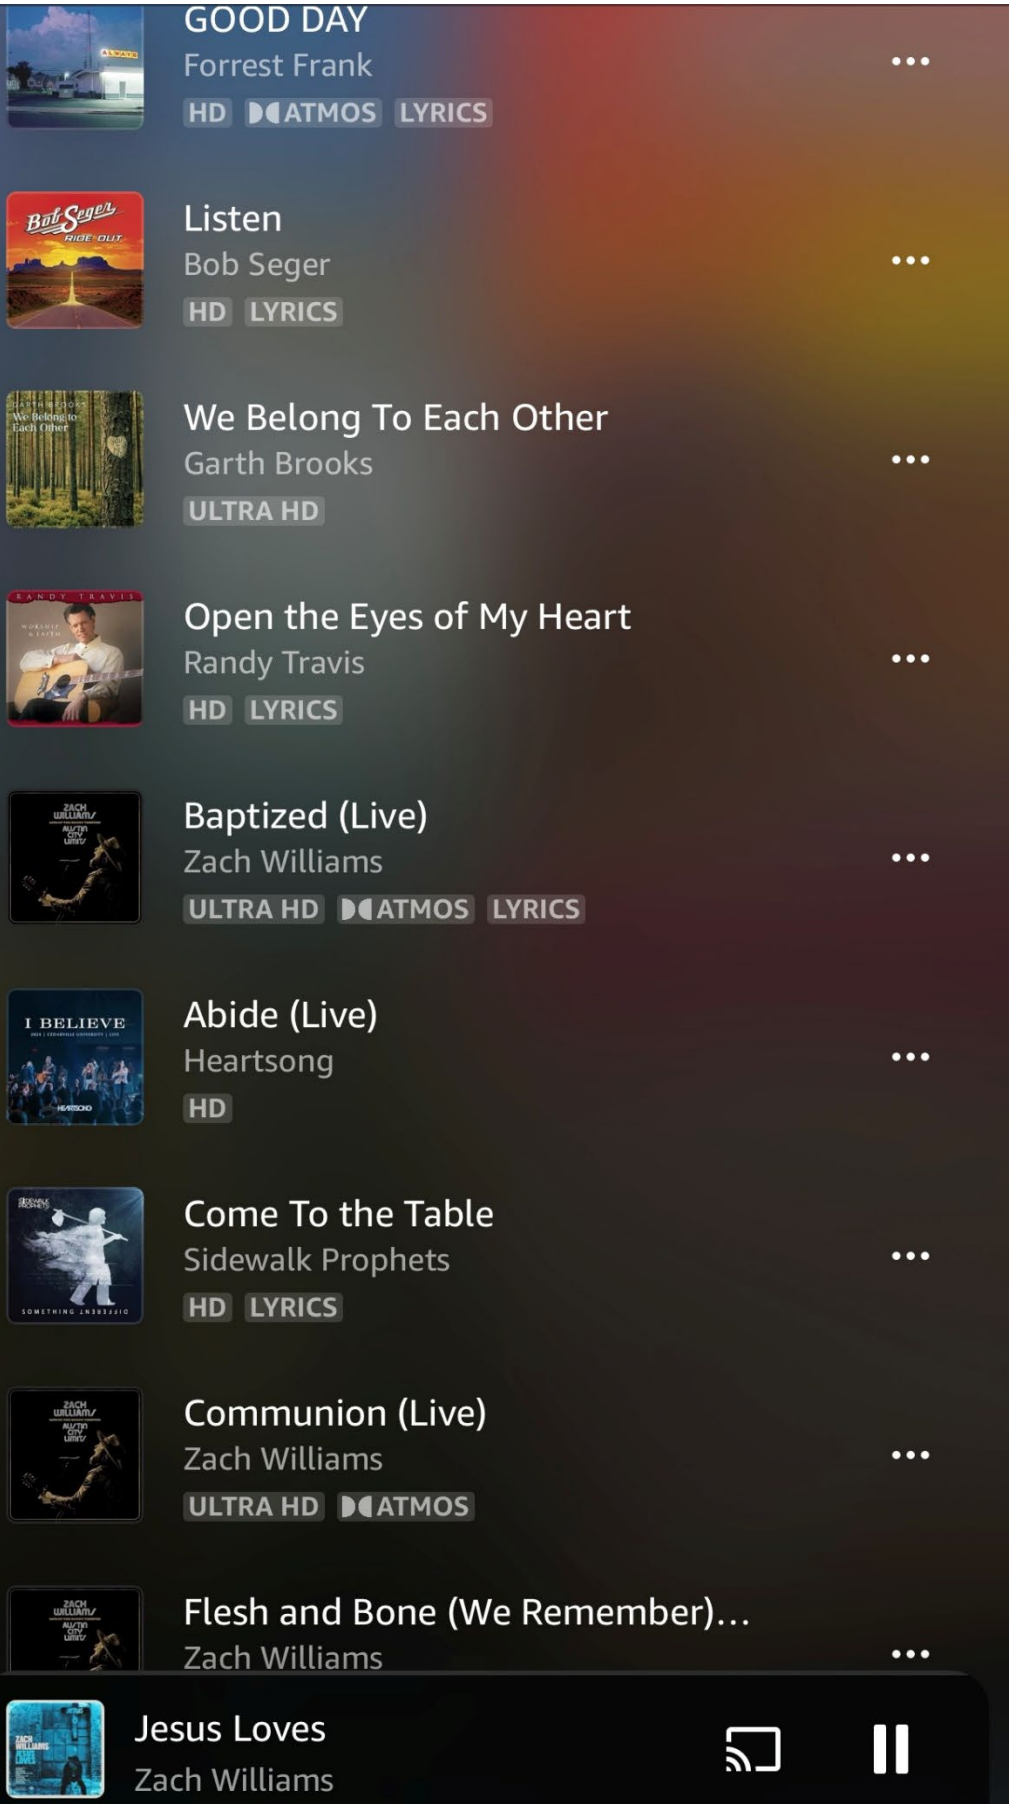

Power of prayer will open doors, to that house up on a hill
He's got the key for your new home, this is not a drill
Hearts becoming peaceful, His amazing grace is our gift
Let go of hate and anger, your soul the Lord will lift
Heaven's windows are open, you can hear those angels singing

God's Goodness

God shines His light, on the darkness of the day
His love overcomes, all that was once gray
In His glory, forever and ever we shall stay
We start every morning, with in Jesus name we pray
You know love wins, He wrote the soundtrack
Where evil once stood, now goodness is back

Our past passed away
New world with Jesus, is coming our way
Get yourself together, no more runnin' astray
Future's so bright, and it's here to stay
Open your heart, and quiet your mind
Feel God's goodness, and let it shine

This world is changing, it's easy to see
God's love is strong, He's in you and in me
A shower of light, shines all over this land
We're all coming together, to take our stand
My friend Chris Pratt said it, "God is real"
Truth shall set us free, yeah it's a pretty big deal

Our past passed away
New world with Jesus, is coming our way
Get yourself together, no more runnin' astray
Future's so bright, and it's here to stay
Open your heart, and quiet your mind
Feel God's goodness, and let it shine

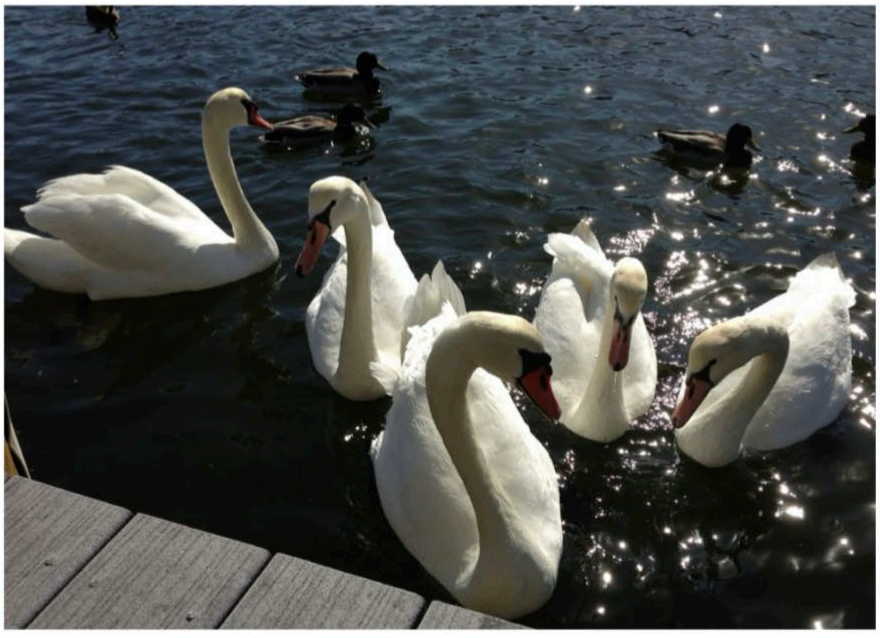

The ban has been lifted, the new show must go on
Heard the call that was played, from the trumpeter swan
People get ready, a Zephaniah announcement train
Keep your head in the heavens, within Christ's fire and reign

Our past passed away
New world with Jesus, is coming our way
Get yourself together, no more runnin' astray
Future's so bright, and it's here to stay
Open your heart, and quiet your mind
Feel God's goodness, and let it shine

Coming together, in Christ the One
God's rescue mission has begun
A precious moments collection, of His chosen ones
Hearing waves in a shell, playing tympanic drums
Truth and Love, without the fear
The Word through Malachi, have we ears to hear
Just a thought bubble, as the day draws near

John 3:16 (KJV)

"For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life."

FATHER'S LOVE LETTER

An intimate message from God to you.

My Child,

You may not know me, but I know everything about you.
