Renovate Your Heart

The highest of price, has already been paid
What sometimes may seem, to be poorly made
Is actually the builder's design incentives
Strengthening our hearts, for future endeavors
Constructing the framework, of Holy Spirit relations
His peace will help, take away our frustrations
Reclaim your heart, like vintage hardwood floors
And use that old wood, for a beautiful new door

Magnolia company, the town or the tree
Pastor Bill, Milestone Church, helped set me free
Work's always in progress, don't build your castle on sand
Jesus is the Rock, strongest in the land
Don't hang a picture, to hide your heart's cracked wall
In this real estate of life, be an investor when God calls

God renovates your heart
Even before you decide to start
King of kings builders, co-starring Chip and Jo
Offers a home warranty, giving the confidence you know
A strong foundation stands firm, passed the test
Transform your heart like those homes, with the Savior's best
When construction of life, becomes too heavy
Pray, take a deep breath, and carry the "e"

Early morning writing lyrics, waking up at 3am
That rewind button, is now working again
New power source, in our universal remote control
Love's clear coat of protection, on our heart and soul
We're doin' it right, this time around
Been writing letters with Paul, a feeling so profound
Stopped the demolition crew's evil countdown

Brian Joseph Jeffries

God renovates your heart
Even before you decide to start
King of kings builders, co-starring Chip and Jo
Offers a home warranty, giving the confidence you know
A strong foundation stands firm, passed the test
Transform your heart like those homes, with the Savior's best
When construction of life, becomes too heavy
Pray, take a deep breath, and carry the "e"

Romans 8:28 (KJV)

"And we know that all things work together for good to them that love God, to them who are called according to his purpose."
