✝️ Whatever You Did Or Didn't Do 📧 Jesus Loves You Are Blessed And Forgiven Sweet Heavenly Livin In His Spirit Of Truth In You And I Ask Them To Understand The Parables Of The Books Movies Please Give An Example. Reveal True Understanding Bigger Picture Of The Many Biblical Layers Within Books Movies. Share Example With The Giver Pre View Singing That Frequency Song With My Brothers And Sisters When You Come Back To Me Again 🏠

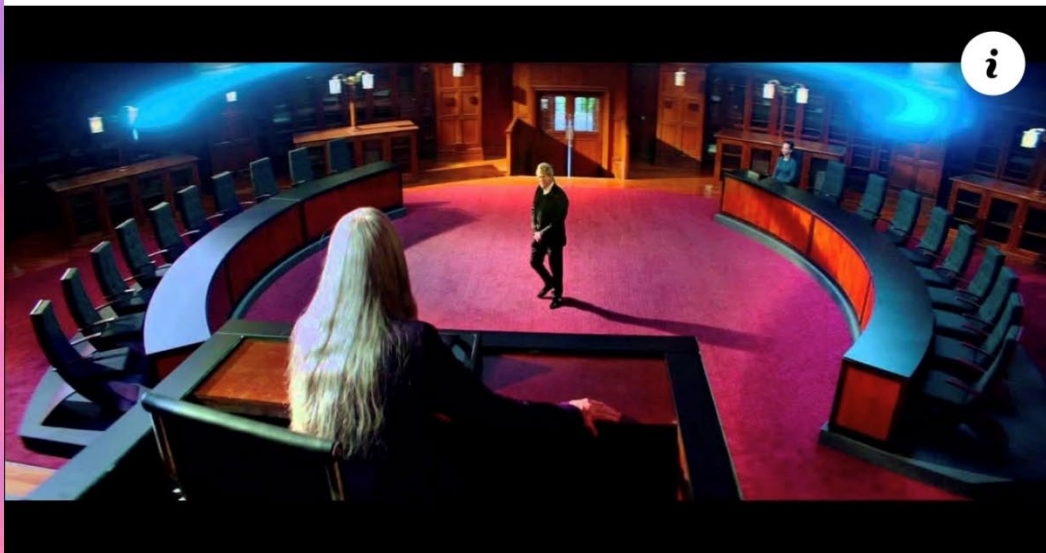

There's a ship out on the ocean
At the mercy of the sea
It's been tossed about, lost and broken
Wandering aimlessly
And God, somehow you know that ship is me
'Cause there's a lighthouse in a harbor
Shining faithfully
Pouring its light out across the water
Where this sinking soul can see
That someone out there still believes in me
On a prayer, in a song
I hear your voice and it keeps me hangin' on, oh
Rainin' down, against the wind
I'm reachin' out 'til we reach the circle's edge
When you come back to me again
There's a moment that we all come to
In our own time, in our own space
Where all that we've done, we can undo
If our heart's in the right place

On a prayer, in a song
I hear your voice and it keeps me hangin' on, oh
Rainin' down, against the wind
I'm reachin' out 'til we reach the circle's edge
And you come back to me again
And again I see my yesterdays in front of me
Unfolding like a mystery
You're changing all that is and used to be
On a prayer, in a song
I hear your voice and it keeps me hangin' on, oh
Rainin' down, against the wind
I'm reachin' out 'til we reach the circle's edge
When you come back to me again
When you come back to me again
