Holy Bible Ecclesiastes 3

Just a friendly reminder, lean not on our own understanding. Ask the Lord for guidance in ALL things. Another friendly reminder, it is very important that we are ALL in God's Word Every Day. Rejoice always, pray continually, give thanks in all circumstances!

## **God's Goodness**

God shines His light, on the darkness of the day  
His love overcomes, all that was once gray  
In His glory, forever and ever we shall stay  
We start every morning, with in Jesus name we pray  
You know love wins, He wrote the soundtrack  
Where evil once stood, now goodness is back

Our past passed away  
New world with Jesus, is coming our way  
Get yourself together, no more runnin' astray  
Future's so bright, and it's here to stay  
Open your heart, and quiet your mind  
Feel God's goodness, and let it shine

This world is changing, it's easy to see  
God's love is strong, He's in you and in me  
A shower of light, shines all over this land  
We're all coming together, to take our stand  
My friend Chris Pratt said it, "God is real"  
Truth shall set us free, yeah it's a pretty big deal

Our past passed away  
New world with Jesus, is coming our way  
Get yourself together, no more runnin' astray  
Future's so bright, and it's here to stay  
Open your heart, and quiet your mind  
Feel God's goodness, and let it shine

The ban has been lifted, the new show must go on  
Heard the call that was played, from the trumpeter swan  
People get ready, a Zephaniah announcement train  
Keep your head in the heavens, within Christ's fire and reign

*Brian Joseph Jeffries*

Our past passed away  
New world with Jesus, is coming our way  
Get yourself together, no more runnin' astray  
Future's so bright, and it's here to stay  
Open your heart, and quiet your mind  
Feel God's goodness, and let it shine

Coming together, in Christ the One  
God's rescue mission has begun  
A precious moments collection, of His chosen ones  
Hearing waves in a shell, playing tympanic drums  
Truth and Love, without the fear  
The Word through Malachi, have we ears to hear  
Just a thought bubble, as the day draws near

John 3:16 (KJV)

*"For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life."*

## **The Music We All Sing**

Music's in the wind, the trees, and sounds of the night  
God is in the rain, washing away the pain and fright  
The voice that's been whispering, the doubt and despair  
That devil's banished from my mind, with God's Word in prayer  
In the deafening sound of silence, and roar of crashing waves  
Let everyone remember, as we are spending, Jesus Saves

Swinging a piano hammer of notes, on His music stand  
God's peace and love we're sending, all across the land  
Perfect harmony, the music we all sing  
Come join the band, for together it will bring  
Melodic tones are blossoming, God's green thumb  
This season of singing, a tent revival has begun

We've heard it said before  
Life's a Bible metaphor  
Don't hide the scars or struggles, it's part of who we are  
Like a Jacob wrestling match, in the month of Adar  
Israel's the name, gathering descendants from afar  
His love shines bright, through an infinity pool sky  
Above His footstool and in our hearts, He is always standing by

Swinging a piano hammer of notes, on His music stand  
God's peace and love we're sending, all across the land  
Perfect harmony, the music we all sing  
Come join the band, for together it will bring  
Melodic tones are blossoming, God's green thumb  
This season of singing, a tent revival has begun

Connect the sparkling dots, a new star lullaby  
On that shimmering map, of the Gospel in the sky  
His children are looking up, our peace is amplified  
Through encouraging words, I will praise You and testify  
His love comes through the voices, like the music of angels  
You say who, I say you, and all that are faithful  
Revelation 21 & 22 the Father keeps time, with His second hand  
A new home with the Lamb, the leader of our band

## **Thank You Song**

I hope you have enjoyed, this 3am songbook  
A glimpse into my heart, for you all to take a look  
In my darkest of nights, the battle had been won  
When I called out Your name, together becoming one  
Thank You Jesus, my Lord and Savior wearing the crown  
My life's just beginning, now picking up what You're putting down

Where I was only one before, now we are two  
You've been helping me since my life began,  
I hadn't realized it was You  
I've more subject matter to move around,  
as I begin this calling of a writer  
Wearing Songlasses, the future's never been brighter  
Even when I didn't think, I'd get through another day  
I've learned to live for You Lord, and follow in Your way

Thank you to my wife Kathie,  
here in the good times and sadness  
Helping me throughout, the nightmares and the madness  
Thank you to our Moms and Dads, for never giving up on me  
While my heart became a stone, and my soul an absentee  
Thank you to all of our family and friends  
Many prayed for me, when I was close to the end

Thank you to our family of pets, Sunshine dog of therapy  
Without the help from all of them, I don't know where I'd be  
Thank you to all at Milestone Church, and to Pastor Bill  
My heart that was empty, you have helped refill  
Thank you tri-state Bible study, always on God's radar  
I appreciate everyone mentioned, just for being who you are

Thank you to Tonya, you helped me find my pen  
Made a difference in my life, God Bless and Amen  
Thank you to the songwriters, musicians, writers and singers  
Movie makers, entertainers, YouTuber's, and sports figures  
Thank you students and coworkers, serving within this vaulted ceiling  
Thank you Bible teachers, and all who've heard the thunder pealing

*Brian Joseph Jeffries*

An endless list of many others, helping with the healing  
Thank you all in the Bible, your influence is more than a feeling  
Thank you Heaven's angels, always helping along the way  
Thank you Lord for sending them, each and every day  
All got me through life's puzzle, your love helped stop my cryin'  
This entire book's a thank you note, from this life of Brian

Thank you to the readers, for checking out this book  
I pray it has touched you, now that you've taken a look  
On this new adventure, I've been working overtime  
Sorting through the words to write, that are whirling in my mind  
Another dream's to hear these lyrics, played on the radio  
My heart hears music notes, as works of Michelangelo

As this comes to a close, may I remind you all  
Always get back up, when you stumble and fall  
Break the doubt that's racked up, 'cause you're the cue ball  
Go live your dream don't hesitate, when you get the call  
Always be kind and loving, a heart filled with joy and laughter  
Keep God above all things, in life you'll live happily ever after

*Thank You!!*
