Grace and peace to you from God Our Father And The Lord Jesus Christ.

Greetings! Hey How Ya Doin'! Shalom!

I pray you are well. Holy Spirit has now guided me to reach out to you. Please see and hear the message that God has put on my heart. An inspirational motivational international speech from the Word coach cheer leaders singing Great Gospel News!!!

To ALL it does concern in this spiritual battle. Everyone seeing and hearing the Turn signal. While on this amazing journey with the Lord He has now led me to reach out to you. Let me start by saying Thank You for everything you do to change the world; Living In Christ leading others to know the Truth. It's truly amazing to see ALL that Holy Spirit is doing in so many of us. I pray your Blessed and Beautiful Ministry in Christ continues to grow and reach others. For anyone lost and searching for truth and answers while struggling trying to find yourself, I ask that you call to our Lord and Savior Jesus Christ. I guarantee you find yourself in Him.

There are many layers within these writings. As we continue you will begin to see and hear within those layers as the Lord will reveal. Those layers are also around us in this life.

Holy Bible Ecclesiastes 3

Just a friendly reminder, lean not on our own understanding. Ask the Lord for guidance in ALL things. Another friendly reminder, it is very important that we are ALL in God's Word Every Day. Rejoice always, pray continually, give thanks in all circumstances!

Do You Hear the People Sing? Now Do Not Be Afraid, be under His wing!

There ain't no hitting snooze, we gotta share The Gospel News! Let's see and hear, those New You celebrations! Holy Spirit fire alarm ringing Light shine on in every nation! Rise and Shine! Put Your Candles In The Windows! Let your Light shine! Let them know The Way! Until Everyone Knows The Way! Hearts of multitudes in tune with the Drum. Hey You in the wilderness hear the voice of One! In our joyful testimony, the music is heard! Loving God and one another, as we stand upon His Word!

I pray Father God will continue to build and strengthen ALL His children as Christ's Heavenly fire flows. I ask that you share the message as Holy Spirit guides you. If you have any questions, please see Holy Bible for reference. And of course, if lost, ask a friendly neighborhood Born Again Believer to help show you The Way.

A New Old Psalm

Look up, take courage, get your heart in sync
God's angels are nearer, than you might think
After all these years, they're all together
Helping rid us of fears, you may hear their feathers
Pay attention world, for this is God's plan
He loves us all; every child, woman, and man

Sands of time were running low, but now we're able
To spin the hourglass, that was stuck to the table
We're The Chosen generation, that's being shown how
No need to fear, we're in God's hands now
Like my twisted sister said, we're not gonna take it
We'll take our stand, together we'll make it

No matter how stormy the weathers
God will cover you with His feathers
Under His wings you will find refuge
Like Noah had during the deluge
His faithfulness will be, your shield and rampart
For God's love, will transform your heart

Signal's been sent, will you answer the call
No more SOS in distress, now peace and love for all
He will protect us, for we acknowledge His name
Rise and revolution, we're changing the game
Eyes of the Lord, over the righteous and lost
He already paid the price, for us there is no cost

His ears are open, unto our prayers
Look for that ladder, climb those golden stairs
As the horn sounds, Michael stands up
Now is the time, to fill your cup
You just need to ask, He'll overflow His
Trust in your gut, while taking life's quiz

Brian Joseph Jeffries

No matter how stormy the weathers
God will cover you with His feathers
Under His wings you will find refuge
Like Noah had during the deluge
His faithfulness will be, your shield and rampart
For God's love, will transform your heart

He has given His angels charge
The wicked can't survive, in a love so large
Arrows now seem dull, with no sharpener available
There's no mountain task, that is not scalable
Ten thousand may fall around me, there no evil shall befall thee
Just a new old Psalm, that was written for you and me
God's angels have been uniting, breaking the chains
Steering stars a new direction, with Christ at the reigns

Psalm 91:2,4 (KJV)

"I will say of the Lord, He is my refuge and my fortress: my God; in him will I trust. He shall cover thee with his feathers, and under his wings shalt thou trust: his truth shall be thy shield..."

The Christ Family Ministries

It's in the name and everywhere, so obvious it seems
Climbed that mountain, standing up to see so clear
All of humanity being raised, beyond our atmosphere
When the devil came at me, the Lord sent him away
He was confused and distraught, in Jesus name I'll always pray

Exposing evil while loving, in the world of our Creator
He's the year-round, Christmas party coordinator
That's how we celebrate, from Christmas to the summer

Our Gift

Does anyone remember, what Christmas really means
It's in the name and everywhere, so obvious it seems
Climbed that mountain, standing up to see so clear
All of humanity being raised, beyond our atmosphere
When the devil came at me, the Lord sent him away
He was confused and distraught, in Jesus name I'll always pray

Exposing evil while loving, in the world of our Creator
He's the year-round, Christmas party coordinator
Don't let hate overtake, stop feeding the disease
You'll just end up covering, a black eye with frozen peas
If traveling a dark and stormy road, that is hell bent
Turn on your brights, go off-road and repent
Don't let the devil, be your director, editor or illustrator
For the living Word that God has written, is forever greater

Power of prayer will open doors, to that house up on a hill
He's got the key for your new home, this is not a drill
Hearts becoming peaceful, His amazing grace is our gift
Let go of hate and anger, your soul the Lord will lift
Heaven's windows are open, you can hear those angels singing
On a sled of freedom, peace and love we are bringing

Shout out to everyone, be a Jesus mouthpiece
Old and New Testament letters, of which to build our masterpiece
Some things can be tough, but God gives us strength
Tune into His Christmas carols, feel your heart's wavelength

Hear the joyful singing, bringing unity throughout
He's the reason for the season, for me there is no doubt
In this life you follow, His entire Word that's true
Not just choosing certain parts, you think will work for you
Receive the Holy Spirit, just invite Him inside
He's the one taking you, on this wondrous ride

Brian Joseph Jeffries
