Holy Bible Ecclesiastes 3

Just a friendly reminder, lean not on our own understanding. Ask the Lord for guidance in ALL things. Another friendly reminder, it is very important that we are ALL in God's Word Every Day. Rejoice always, pray continually, give thanks in all circumstances!

3am Songbook

The words in this book are written to help remind us that God is Love and we all have a choice. I've made mistakes throughout my life, but I'm always striving to improve. I encourage you to call out to Jesus, if you haven't already, so you can be saved by His grace and have assurance that you will be rejoicing in Heaven when you pass from this life. These are the experiences of my life's journey and being born again in Christ. I pray this book helps lead people to seek salvation through Jesus and is a blessing to you all.

Now, I invite you on an adventure, through the depths of your mind's movie screen, to the rainbow's end and beginning, along a golden road of eternity. The time is now to come together, all the people of every nation, across this universe of a life without boundaries. I got an early morning wake-up call from God about our lives that have true meaning, for which you're permanently awake and you never stop dreaming. There are limitless possibilities through a symphony message of hope and rhythmic positivity.

Let's take a voyage in this supernatural world, beyond the realm of a comfortable existence of routine. We're living in the now, of a life less ordinary, on an angelic adventure of faith in God's amazing story. Winning a galactic battle of good and evil, His light shines down upon us, forever in His glory. We see a reflection into a world of peace, through the eyes of our hearts. Unity is the message, for which we all can begin to start. Through the lyrics of our life's dream, I welcome you to my heart and soul. Let's begin and I'll show you what I mean.

Armor of God

Put on the armor of God, be protected by the belt of truth
God's righteousness is for us all, no need to change in a phone booth
Helmet of salvation, gives us confidence to go forward
If lost in a sea of despair, His love will lead you shoreward

While sailing the universal waters, keep God as your rudder
May your heart flow from life's wellspring, with the words you utter
God's servants of New Jerusalem, in the square gathered 'round
Ripple in the wind, hear the voice of a unified sound

Shoes of peace cover our feet, and help to share the Good News
Standing up to any challenge, with Him we'll never lose
With the beat drummin' in my soul, my heart's an open book
Your questions can be answered, give the Bible a look

While sailing the universal waters, keep God as your rudder
May your heart flow from life's wellspring, with the words you utter
God's servants of New Jerusalem, in the square gathered 'round
Ripple in the wind, hear the voice of a unified sound

A shield of faith stops the arrows, that come from every angle
God's Word is our sword, to stand against Satan's lies entangled
Truth and wisdom of our home, God has been revealing
Reigning His Word through the masses, from this leaking ceiling

While sailing the universal waters, keep God as your rudder
May your heart flow from life's wellspring, with the words you utter
God's servants of New Jerusalem, in the square gathered 'round
Ripple in the wind, hear the voice of a unified sound

Ephesians 6:11 (ESV)

"Put on the whole armor of God, that you may be able to stand against the schemes of the devil."

A New Old Psalm

Look up, take courage, get your heart in sync
God's angels are nearer, than you might think
After all these years, they're all together
Helping rid us of fears, you may hear their feathers
Pay attention world, for this is God's plan
He loves us all; every child, woman, and man

Sands of time were running low, but now we're able
To spin the hourglass, that was stuck to the table
We're The Chosen generation, that's being shown how
No need to fear, we're in God's hands now
Like my twisted sister said, we're not gonna take it
We'll take our stand, together we'll make it

No matter how stormy the weathers
God will cover you with His feathers
Under His wings you will find refuge
Like Noah had during the deluge
His faithfulness will be, your shield and rampart
For God's love, will transform your heart

Signal's been sent, will you answer the call
No more SOS in distress, now peace and love for all
He will protect us, for we acknowledge His name
Rise and revolution, we're changing the game
Eyes of the Lord, over the righteous and lost
He already paid the price, for us there is no cost

His ears are open, unto our prayers
Look for that ladder, climb those golden stairs
As the horn sounds, Michael stands up
Now is the time, to fill your cup
You just need to ask, He'll overflow His
Trust in your gut, while taking life's quiz

Brian Joseph Jeffries

No matter how stormy the weathers
God will cover you with His feathers
Under His wings you will find refuge
Like Noah had during the deluge
His faithfulness will be, your shield and rampart
For God's love, will transform your heart

He has given His angels charge
The wicked can't survive, in a love so large
Arrows now seem dull, with no sharpener available
There's no mountain task, that is not scalable
Ten thousand may fall around me, there no evil shall befall thee
Just a new old Psalm, that was written for you and me
God's angels have been uniting, breaking the chains
Steering stars a new direction, with Christ at the reigns

Psalm 91:2,4 (KJV)

"I will say of the Lord, He is my refuge and my fortress: my God; in him will I trust. He shall cover thee with his feathers, and under his wings shalt thou trust: his truth shall be thy shield..."

Rhyme for Today

I've so much to say, was all the labels, a mess
Jesus has saved me, to the world I confess
No longer lost on a midnight run
Life is now a lot more fun
Lose yourself in His glory
We all have a Spielberg amazing story
Like a children's book, that's fantastical
Who heard the call, in this world that's musical

In Jesus name we pray
James, Jude, and Peter, they say hey
God is molding us from His clay
Our favorite day, that is today
I write what He tells me to say
Tellin' the world about God's peace, that's real without delay
Sounds like an Adam Sandler movie, spreading love every day

Major Tom can hear you, the signal's loud and clear
View from Heaven is spectacular, now there's nothing to fear
Live like a Life is Good shirt, on your journey's pathway
Take some time to listen, to this rhyme for today

A weirdo older brother, that you never knew
Prozac nation for me, attention deficit for you
A midweek Webby Wednesday, always droppin' fire
Your lyrics lift us higher, causing others to perspire
Calls them out like it or not, Christian's here to stay
Always on top, speaking truth everyday
Letting 'em know, we're not runnin' away
Corruption's going down, God's tired of the foul play

Eminem, I've been listening for years
You've reached us my friend, you wouldn't believe the tears
You and many others, been helping with our fears
We're all soldiers of peace, in the Lord's ballet
Gotta prescription for music, from the doctor that's Dre

Brian Joseph Jeffries

Major Tom can hear you, the signal's loud and clear
View from Heaven is spectacular, now there's nothing to fear
Live like a Life is Good shirt, on your journey's pathway
Take some time to listen, to this rhyme for today

Show me the way in this grand illusion, we're rockin' in paradise
Everyone together now, a song that's Edelweiss
Billy Graham changing the world, with the messages he preaches
We all have a role to play, listen to some Denzel speeches
In this band of unity, we're a praying motley crew
The right path is laid before us, the choice is up to you

God's Goodness

God shines His light, on the darkness of the day
His love overcomes, all that was once gray
In His glory, forever and ever we shall stay
We start every morning, with in Jesus name we pray
You know love wins, He wrote the soundtrack
Where evil once stood, now goodness is back

Our past passed away
New world with Jesus, is coming our way
Get yourself together, no more runnin' astray
Future's so bright, and it's here to stay
Open your heart, and quiet your mind
Feel God's goodness, and let it shine

This world is changing, it's easy to see
God's love is strong, He's in you and in me
A shower of light, shines all over this land
We're all coming together, to take our stand
My friend Chris Pratt said it, "God is real"
Truth shall set us free, yeah it's a pretty big deal

Our past passed away
New world with Jesus, is coming our way
Get yourself together, no more runnin' astray
Future's so bright, and it's here to stay
Open your heart, and quiet your mind
Feel God's goodness, and let it shine

The ban has been lifted, the new show must go on
Heard the call that was played, from the trumpeter swan
People get ready, a Zephaniah announcement train
Keep your head in the heavens, within Christ's fire and reign

Brian Joseph Jeffries

Our past passed away
New world with Jesus, is coming our way
Get yourself together, no more runnin' astray
Future's so bright, and it's here to stay
Open your heart, and quiet your mind
Feel God's goodness, and let it shine

Coming together, in Christ the One
God's rescue mission has begun
A precious moments collection, of His chosen ones
Hearing waves in a shell, playing tympanic drums
Truth and Love, without the fear
The Word through Malachi, have we ears to hear
Just a thought bubble, as the day draws near

John 3:16 (KJV)

"For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life."

The Return

Question for us to ponder, what if real is the dream
There are many of you out there, that know what I mean
Pay attention in this life, things aren't always as they seem
Look for the meaning, like in this song of many themes
What's real or fantasy, open your mind and you'll see
Your heart is the key, love will set you free

No such thing as coincidence, things happen for a reason
Many signals from the Lord,
to get us through the toughest seasons
Inspirational messages of God, Shelley does preach
We're all starting to live, a Charlie Chaplin speech

God's here to stay
Each and every day
Tell your story to all
God has made the call
No more living in fear
Jesus' return is near

Been taking my time, writing with a slow hand
A Jasher music man's request, to take the stand
Holy Spirit's awakened me, to join the band
Eyes wide open, heading to the Holy Land

Some run the hamster wheel, as their life passes by
Others see the Holy City, coming down from the sky
We can all break free, you just gotta try
Time for this evil world, to say goodbye
We're making a move, beginning to set things right
Time to put on, a Johnny Cash suit of white

Brian Joseph Jeffries

God's here to stay
Each and every day
Tell your story to all
God has made the call
No more living in fear
Jesus' return is near

Unplug from, the matrix of deception
Wake up and receive, there's no exception
I was running behind, but now I'm caught up
Upload to the cloud, singers provide backup
Bible Project crew, get your learn on with the Lord
A priceless education, that anyone can afford

Lessons from Dorothy, helped this tin man find his heart
Showed me the brains and courage, had been there from the start
We have Glenda's in our lives, kind and loving while battling witches
It's the evil ones, that digs our mind of shallow ditches
Riding on a carriage, listening to Kansas and Toto
Along the narrow path, somewhere over the rainbow

We've sailed beyond, the road of yellow brick
Still standing through it all, brought Oz that old broomstick
Through journeys on this path unknown, we're never on our own
Call God the great and powerful One, there's no place like His home
Tell everyone from east to west, across the hemisphere
It appears very clear, the return of Jesus is near
Only the Father knows, the clock's final gears

Matthew 24:36 (ESV)

*"But concerning that day and hour no one knows, not even the angels of heaven,
nor the Son, but the Father only."*
