Lord And Savior Jesus Christ.
I Guarantee You Find Yourself In Him.
God Bless❤️And Amen🙏✝️

The words in this book are written to help remind us that God is Love and we all have a choice. I've made mistakes throughout my life, but I'm always striving to improve. I encourage you to call out to Jesus, if you haven't already, so you can be saved by His grace and have assurance that you will be rejoicing in Heaven when you pass from this life. These are the experiences of my life's journey and being born again in Christ. I pray this book helps lead people to seek salvation through Jesus and is a blessing to you all.

Now, I invite you on an adventure, through the depths of your mind's movie screen, to the rainbow's end and beginning, along a golden road of eternity. The time is now to come together, all the people of every nation, across this universe of a life without boundaries. I got an early morning wake-up call from God about our lives that have true meaning, for which you're permanently awake and you never stop dreaming. There are limitless possibilities through a symphony message of hope and rhythmic positivity.

Let's take a voyage in this supernatural world, beyond the realm of a comfortable existence of routine. We're living in the now, of a life less ordinary, on an angelic adventure of faith in God's amazing story. Winning a galactic battle of good and evil, His light shines down upon us, forever in His glory. We see a reflection into a world of peace, through the eyes of our hearts. Unity is the message, for which we all can begin to start. Through the lyrics of our life's dream, I welcome you to my heart and soul. Let's begin and I'll show you what I mean.

Grace and peace to you from God Our Father And The Lord Jesus Christ.

Greetings! Hey How Ya Doin'! Shalom!

I pray you are well. Holy Spirit has now guided me to reach out to you. Please see and hear the message that God has put on my heart. An inspirational motivational international speech from the Word coach cheer leaders singing Great Gospel News!!!

To ALL it does concern in this spiritual battle. Everyone seeing and hearing the Turn signal. While on this amazing journey with the Lord He has now led me to reach out to you. Let me start by saying Thank You for everything you do to change the world; Living In Christ leading others to know the Truth. It's truly amazing to see ALL that Holy Spirit is doing in so many of us. I pray your Blessed and Beautiful Ministry in Christ continues to grow and reach others. For anyone lost and searching for truth and answers while struggling trying to find yourself, I ask that you call to our Lord and Savior Jesus Christ. I guarantee you find yourself in Him.

There are many layers within these writings. As we continue you will begin to see and hear within those layers as the Lord will reveal. Those layers are also around us in this life.

Holy Bible Ecclesiastes 3

Just a friendly reminder, lean not on our own understanding. Ask the Lord for guidance in ALL things. Another friendly reminder, it is very important that we are ALL in God's Word Every Day. Rejoice always, pray continually, give thanks in all circumstances!

Armor of God

Put on the armor of God, be protected by the belt of truth
God's righteousness is for us all, no need to change in a phone booth
Helmet of salvation, gives us confidence to go forward
If lost in a sea of despair, His love will lead you shoreward

While sailing the universal waters, keep God as your rudder
May your heart flow from life's wellspring, with the words you utter
God's servants of New Jerusalem, in the square gathered 'round
Ripple in the wind, hear the voice of a unified sound

Shoes of peace cover our feet, and help to share the Good News
Standing up to any challenge, with Him we'll never lose
With the beat drummin' in my soul, my heart's an open book
Your questions can be answered, give the Bible a look

While sailing the universal waters, keep God as your rudder
May your heart flow from life's wellspring, with the words you utter
God's servants of New Jerusalem, in the square gathered 'round
Ripple in the wind, hear the voice of a unified sound

A shield of faith stops the arrows, that come from every angle
God's Word is our sword, to stand against Satan's lies entangled
Truth and wisdom of our home, God has been revealing
Reigning His Word through the masses, from this leaking ceiling

While sailing the universal waters, keep God as your rudder
May your heart flow from life's wellspring, with the words you utter
God's servants of New Jerusalem, in the square gathered 'round
Ripple in the wind, hear the voice of a unified sound

Ephesians 6:11 (ESV)

"Put on the whole armor of God, that you may be able to stand against the schemes of the devil."

My Father in All

As I laid in bed, and looked down the hall
What did I see, my Father in all
Let me explain, just what I saw
It was Jesus, at the end of the hall
Scared and confused, was just a kid
Under the covers, is where I hid

Struggled in life, and now much older
Finally turned around, when He tapped on my shoulder
Excited to know, Yeshua is my friend
Saved, sealed, delivered, in the Book of Life it is penned
Standing by Your side, best friends beyond the end

Thank You to my Father in all
For picking us up, no matter how much we fall
Trust in the Lord, He will pull us through
On a forever mission, preview of our life that's in review

God of Abraham, Isaac, and Jacob, I've a Joshua request
To fulfill the task at hand, and live an eternity that's blessed
A cry out to our Savior, to free the oppressed
A gentle whisper to Elijah, Chariots of Fire theme song
May seem short in measured time, yet the journey has been long
Double portion of Spirit, as within Elisha mighty and strong

We'll face our problems, and turn them into solutions
It has begun, the love revolution
It's time to live with Jesus, He is the One
The class we're in, is Life 101
No need to worry, God's already won
A new day is dawning, here comes the Son

Thank You to my Father in all
For picking us up, no matter how much we fall
Trust in the Lord, He will pull us through
On a forever mission, preview of our life that's in review

Come As You Are (Live) [feat....

Passion [feat. Crowder]

The Music We All Sing

Music's in the wind, the trees, and sounds of the night
God is in the rain, washing away the pain and fright
The voice that's been whispering, the doubt and despair
That devil's banished from my mind, with God's Word in prayer
In the deafening sound of silence, and roar of crashing waves
Let everyone remember, as we are spending, Jesus Saves

Swinging a piano hammer of notes, on His music stand
God's peace and love we're sending, all across the land
Perfect harmony, the music we all sing
Come join the band, for together it will bring
Melodic tones are blossoming, God's green thumb
This season of singing, a tent revival has begun

We've heard it said before
Life's a Bible metaphor
Don't hide the scars or struggles, it's part of who we are
Like a Jacob wrestling match, in the month of Adar
Israel's the name, gathering descendants from afar
His love shines bright, through an infinity pool sky
Above His footstool and in our hearts, He is always standing by

Swinging a piano hammer of notes, on His music stand
God's peace and love we're sending, all across the land
Perfect harmony, the music we all sing
Come join the band, for together it will bring
Melodic tones are blossoming, God's green thumb
This season of singing, a tent revival has begun

Connect the sparkling dots, a new star lullaby
On that shimmering map, of the Gospel in the sky
His children are looking up, our peace is amplified
Through encouraging words, I will praise You and testify
His love comes through the voices, like the music of angels
You say who, I say you, and all that are faithful
Revelation 21 & 22 the Father keeps time, with His second hand
A new home with the Lamb, the leader of our band

Lighthouse of Hope

A backyard battlefield, marching onward are the knights
Touching a sky of green fields, those New Jersey northern lights
Swirling pillar of fire, in an underwater house of screen
Sonburn on my face, has brought me to my knees
An Enoch at the door, on a journey with John
Jesus' sequel is the prequel, many visions are drawn
Life is a symphony, a page in God's hymns
With Christ in our heart, let's rejoice and honor Him

That was the night, I picked up His shield
A faith so strong, that will never yield
Fine linen field of snow, getting ready to go
A comforting breeze of breath, into us it blows
Come Alive dry bones, He makes a stick of one
His tabernacle is with us, the battle's always been won

Haunted house cleaning, my mind was being torn apart
Sometimes you have to lose your mind, to find your heart
A glimpse of eternity, from the angel of the Lord
Changed my life forever, now and ever more
A lighthouse of hope, that is burning so brightly
The only ghost within me now, is One that is Holy

In the sixteenth Act they prayed, and sang praises unto God
The prisoners did hear them, His freedom gave the nod
A nineteenth Revelation, the multitudes are saying
Thundering Hallelujah, the Lord God is reigning
24 and 4 fell down, and worshipped God on the throne
Tuned to the key of David, Sonflower seeds are being sown

Jesus the Master key, for all universal locks of art
Doors opening and closing, valves of your own true heart
We may not comprehend, but yes God knows
He's the treasure we seek, the bridge of all rainbows
Always Faithful and True, to me and to you
Beautiful artist's renderings, of the picture that He drew

Brian Joseph Jeffries

Haunted house cleaning, my mind was being torn apart
Sometimes you have to lose your mind, to find your heart
A glimpse of eternity, from the angel of the Lord
Changed my life forever, now and ever more
A lighthouse of hope, that is burning so brightly
The only ghost within me now, is One that is Holy

Blessed are they that are invited, to the wedding I do
Supper of the Lamb, God's Word is True
Take a righteous turn with Jesus, His road will lead you higher
The beast and the deceiver, thrown into the lake of fire
His angel threw the dragon, the ancient serpent, into the abyss
Locked and sealed away the devil, that deception won't be missed
The saints are marching, God's will be done
A thousand-year reign, God Bless Everyone

Acts 16:30-31 (ESV)
